

**Illinois Commerce Commission
Docket 02-0160
Z-Tel's Third Set of Data Requests
Data Request 3**

Request:

List all data fields that are available to be printed on any 836 Line Loss Notice, and all data fields that are available to be printed on the other line loss notice referred to by Mr. Sirles in his testimony.

Response:

The data fields on the 836 Line Loss Notice vary depending on the EDI interface being used. For Version 7, the fields are Transaction Set Purpose, Service Order Number, Date Sent, Due Date, Account Number, Gaining TC, Working TN, Circuit Number and Contract Status. For LSOR4, the fields are Contract Status, Conversion Date, Transaction Date Sent, Circuit Number Lost, Transaction Set Purpose and Working Telephone Number Lost, and for LSOR5, the fields are Conversion Date, Exchange Company Circuit ID and Working Telephone Number Lost.

The data fields on the other line loss notice referred to by Mr. Sirles was provided in response to Interrogatory 5.
